Are you ready to participate in a fast-paced trivia competition to find out if you are Smarter than a Healthy Learner? This virtual trivia challenge is a play on "Are You Smarter Than a 5th Grader?" and can be played by individuals and teams. Each question is timed- the quicker you answer the question, the more points you will earn! This live trivia event will have four elementary school categories:

MATH SCIENCE HISTORY ENGLISH

We are hosting four events across the state: Georgetown, Lowcountry, Midlands, and Pee Dee. The live leaderboard will allow you to see how you are stacking up against the other teams throughout the game. At the end of the night, we will award prizes to the top 3 teams; in addition, the top five teams will advance to the state-level game on October 23 where you'll have a chance to compete for the title of statewide champion. All proceeds from these events benefit Healthy Learners and help advance our mission of removing children's health barriers to learning with love and compassion. We invite you to join us!
