- Teams will have 30 seconds to collaborate, then 15 seconds to write the correct answer.
- Every team will be assigned a judge who will determine if their spelling is correct.
- Any team that misspells a word can **BUY BACK IN** for \$20 to stay in the competition.
- Any team that misspells a word and chooses **NOT** to **BUY BACK IN** must leave the floor.
- There will be four (4) rounds of words with 10-12 words in each Round:

What is [Healthy Learners](#)?

Jordan is a sweet 12-year-old boy who unfortunately suffers from tooth decay and has terrible vision, which makes learning harder for him. **Jordan** has never been to a dentist and his two front teeth are badly decayed, causing him embarrassment. His vision is so bad he cannot see the front of the classroom. His parents want to help, but just don't have the resources. The school nurse called **Healthy Learners**.

Healthy Learners was able to get **Jordan** the help he needed, including a dental appointment, a lesson on good oral hygiene and his first pair of glasses! **Healthy Learners** provided the transportation to local "provider partners" and worked with the school nurse and his parents throughout the process. A ministry of the Sisters of Charity of St Augustine, we connect children to medical care so that poor health is not a barrier to learning. We deeply believe in our motto:

Healthy Children. Better Students. Thriving Communities!
