

## Healthy Children, Better Students, Thriving Communities.

Dear Parent or Guardian:

We have identified that your child, \_\_\_\_\_, has the following health care need/s

\_\_\_\_\_.

Your child ***may be eligible*** to receive health care services at **No Cost** from **Healthy Learners**, a faith-based non-profit organization that connects children to care so that poor health is not an obstacle to doing well in school.

**Healthy Learners** can assist with the following services:

- Vision care, including glasses replacement
- Dental care
- Hearing evaluation
- Asthma care
- Health care
- Mental/behavioral health care
- Coordination of care
- Transportation to appointments
- Medication Management
- Assistance with Medicaid application process

**Healthy Learners** can serve any student we refer who meets program eligibility requirements. Once a student is determined eligible for services, **Healthy Learners** will schedule your child's appointment(s) and will notify us. We will then inform you of the date, time, and location of the appointment. **Healthy Learners** can also pick up your child from school and take him/her to their appointment during the school day so that you do not have to miss any work if you give permission. Once the appointment is completed, the **Healthy Learners** staff member will return your child to school, inform us of the appointment results, and we will share the results with you.

If you would like us to refer your child to **Healthy Learners**, please **complete (in pen)** the attached paperwork, **sign** and **return** it to us as soon as possible so we can further determine your child's eligibility for **Healthy Learners** services. Your child cannot receive health care without your permission. **Healthy Learners** **must** receive your child's completed paperwork before services can begin. Please feel free to contact us at school if you have any questions. **Healthy Learners** can also be contacted directly at

\_\_\_\_\_.

Thank you,

School Nurse
